

Getting to the Morse Museum

DIRECTIONS

From I-4, exit at Fairbanks Avenue (Exit 87) and travel east on Fairbanks toward Winter Park 1.5 miles. At the intersection with New York Avenue (traffic light), turn left and proceed about 1/2 mile to the Canton Avenue intersection (four-way stop). Turn right. After the railroad tracks—just past the McKean Pavilion—turn left into the Museum’s Visitor Parking Lot.

PARKING

Small buses and vans may park in the Visitor Parking Lot along with cars.

Large buses may drop tour groups off at the covered walkway leading to the rear entrance of the Museum or in City-designated loading zones and park on the street where there are available parking spaces. Buses, however, are not permitted on Park Avenue.

Bus traffic is regulated by the City of Winter Park. Tour operators should contact the Traffic Manager in the Winter Park Public Works Department at (407) 599-3411 to notify officials of their schedules and parking requirements.

For further information, contact Morse Visitor Services at (407) 645-5311, extension 101, or at visitorservices@morsemuseum.org.
