

SCULPTING NATURE: THE FAVRILE POTTERY OF L.C. TIFFANY

FEBRUARY 3, 2004 - JANUARY 9, 2005

O B J E C T G U I D E

A note about markings on the underside of the pieces: The “LCT” monogram appears on most all Tiffany pottery, and at times the words “L.C. Tiffany Favrire Pottery” or “L.C.T. Favrire Pottery.” Some of the examples of Tiffany pottery covered with metal are marked “L.C. Tiffany – Favrire Bronze Pottery.” The LCT conjoined monogram was usually incised, or carved, before the piece was fired. A few pieces were given painted marks or were stamped with the initials TS, the initials for Tiffany Studios, before they were fired. Other designations were etched into the glaze or penciled onto the glaze after firing.
