

BLUE AND WHITE PORCELAIN ACTIVITY

INSTRUCTIONS:

Gather materials. Download and print file. Refer to the images of the original artwork (see Resources). Cut along the black vase outline. Fold cut-out vase in half length-wise, and then again width-wise. Cut shapes along the two folded edges as if making a snowflake. Discard scraps. Unfold the vase and glue down onto blue construction paper.

MATERIALS:

- Blue construction paper
- White copy paper
- Graphite drawing pencil
- Scissors
- White glue or glue stick
